

READING

# READING VALUE RUBRIC

for more information please contact [val@acu.org](mailto:val@acu.org)

### Definition

Reading is "the process of simultaneously extracting and constructing meaning through interaction and involvement with written language" (Snow et al, 2002). (From [www.rand.org/pubs/research\\_briefs/RB8024/index.html](http://www.rand.org/pubs/research_briefs/RB8024/index.html))

Evaluators are encouraged to assign a zero to any work sample or collection of work that does not meet the benchmark (cell one) |
